**SOFTWARE SOLUTIONS**  
We inspire the next

Dear Sir/Madam,

Firstly accept our heartfelt greetings.

As you know Nxtlogic software solution is a one of the leading software development industry in India. We are providing quality training in advanced domains such as .NET Frameworks, VB.NET, ASP.NET, C#, ADO.NET, SQL, AJAX, JAVA SCRIPT, and CSS. Currently these are the hottest and largest job providing sectors. With reference to the same, we wish to start training programs in these fields for the student at your college.

Nxtlogic Software Solution has already run different “Workshop Training Program” at many colleges and having a long experience in handling the projects of various departments of industries. We are providing One day / Two day workshop training. We are having the collaboration with many companies to train their employees in new and advanced technologies. Being an industry, Nxtlogic Software Solution is providing them at very reasonable fee. At end of the training Nxtlogic Software Solution will certify each student.

Student training program would be started after obtaining your confirmation. We look forward to your kind cooperation in our attempt and will wait for your reply. Thanking you in anticipation. In workshop training will be scheduled at one day. First one hour theoretical training session and next 7 hours hands on practical training will be conducted.

Again, thank you for allowing me to present this proposal. Please keep in mind that many aspects of this proposal can be tailored to your specific needs. As soon as you are ready for me to move forward, or if you have any questions, please let me know right away.

**Nxtlogic Software Solutions**

Gokula Krishnan. K

(HR manager)

# 1. TRAINING SYLLABUS

## .Net Framework 4.5

### Theory Session (2 Hours)

#### Project Development and Monitoring
